2025 President Annual Report - May 2024 - May 2025

Over the past year the board has worked toward putting us in a good financial status. A report from Edward Jones shows we are financially stable and in great shape. Mike Pittmann has done a wonderful job making us financially secure. Thanks Mike!

Noon soup has been very successful and takes place the 1st and 3rd Friday of each month. I hope you can find time this summer to come down to the center to have a meal and catch up with friends and neighbors. The cost is simply a donation of your choice.

Alice Garrod is hard at work to make our 2025 Festival successful, but she needs help. Please consider contacting Alice. The festival this year will be on July 11th and 12th. A huge thank you to Alice Garrod and all those helping her!

This past year we were awarded a \$225,000 capital improvement project by the State. In June the first project will begin. An addition to our existing outdoor shelter will begin and is scheduled to be completed by the end of June. Plans are on the board at the center. Thanks to Don Fritz and Sharon Gherman for their work.

We have a lot of activities scheduled for the summer so please check the newsletter and encourage others to join our Association.

This is my last President Report as my term ends May 17th. It has been an honor to serve the past 5 years and I want to thank all of you for your kindness.

Ron Gherman

President - Funny River Community Association
